FEATURES

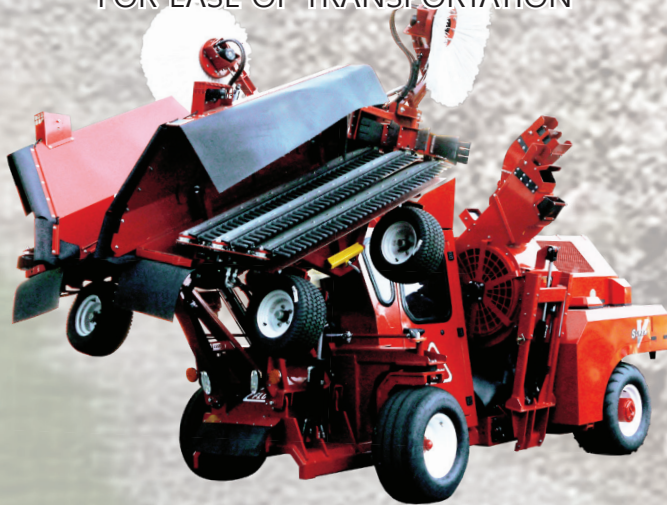

- The Flory Super V maximizes the speed and efficiency of harvest by reducing the number of sweeping passes, machines and operators required
- In-cab push-button adjustment of blower speed, spout and brush position
- One-touch button automatically lowers sweeper heads, which hydraulically float to follow the terrain
- Next generation air-cab with 1/2" shatter resistant windows to improve safety and comfort
- Trunnion mount rear axle provides a flexible chassis for traction across rough and uneven terrain
- Proven sturdy 5 bar head and "Align-Mount" reel for extended bearing and reel life
- Fail-Safe parking brake system that automatically engages when the engine is off
- Now includes dust containment curtain for sweeper heads (not shown)
- Turn signals and flashers for improved road safety
- Rear view camera

OPTIONS

- Head Size (See Table)
- Blower Spout Type (Shown with Berm Spouts)
- 4 Wheel Drive
